

PAY IN RUSSIA

Payment service for international tourists

PAY IN RUSSIA

Payment service designed for foreign tourists to make seamless payments throughout Russia – available even before travel, activated in minutes, and accepted everywhere.

Key features

- ✓ service provider – reliable Russian bank with high security standards
- ✓ full KYC identification in a minute on a smartphone
- ✓ payment methods: online with virtual card, and offline with QR codes via the app
- ✓ focused on GCC, China, CIS and other countries with large tourist flow to Russia
- ✓ top-ups via Visa, Mastercard, Apple Pay, Google Pay, WeChat Pay, Union Pay, Alipay,
- ✓ accepted everywhere - in hotels, restaurants, taxis, tourist attractions, online-services

How It Works: Simple 3-Step Process

1 Download PayInRussia app and register with your name, phone, and travel passport number.

2 Top-up your balance instantly using preferred payment methods like Visa, MasterCard, Google Pay, Apple Pay, WeChat Pay, Alipay. Your payment solution is ready to use. No bank visit, no currency exchange offices.

3 Use PayInRussia for offline and online shopping and booking services. Pay at restaurants, stores, hotels, tourist attractions and more via POS terminals with QR codes. Top-up online whenever you need.

Pro Tip:

Link your virtual card to Yandex GO app to order taxis, and delivery from restaurants and supermarkets

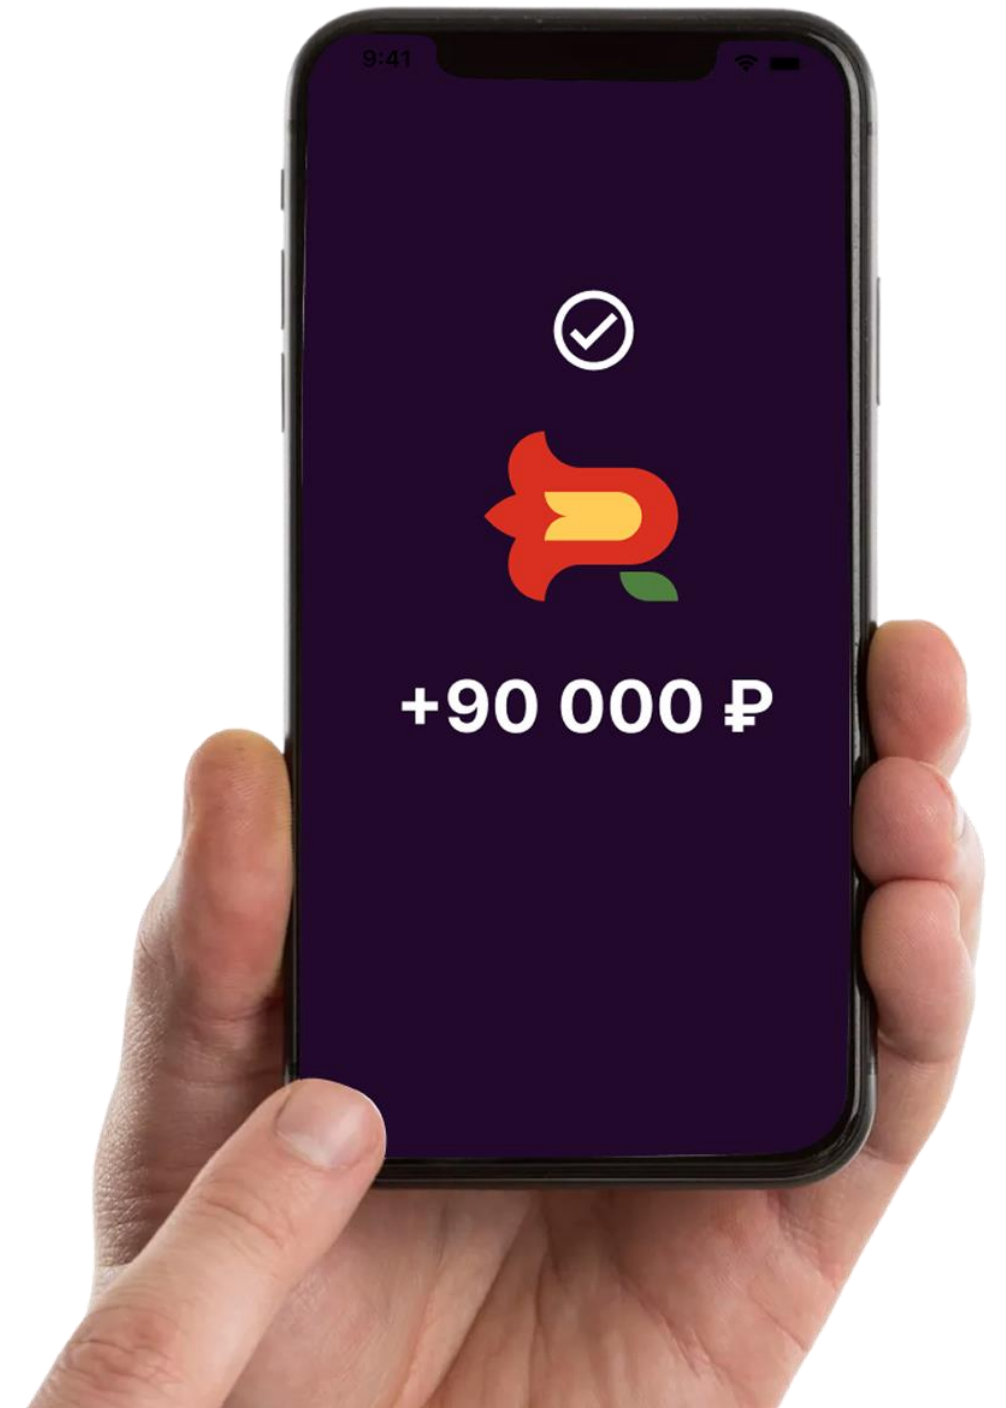

Usage Terms

- Mobile app with transaction history – free
- Virtual card issuance – free
- Account maintenance – free
- Identification – free

Options for each top up:

- Up to 15 000 RUB – no identification required
- Up to 600 000 RUB – with quick ID
